With Over 10 Years Experience as a Foot & Ankle Surgeon I Can Elevate Your Brand Image

Team Building

Though the national lockdown successfully reduced the rate of Covid-19 infections, it also separated us from families, friends and co-workers. Building a sense of team through difficult time is a topic I can speak to.

Health & Well Being

Health and wellness is at the top of everyone's mind. Dr. Ebonie shares her thoughts and experiences in helping people navigate their health issues.

Diversity & Equality

With greater diversity across gender, race, disability, age, and numerous other factors within the workplace, businesses have reported greater productivity across the board.

Services

Speaking Events

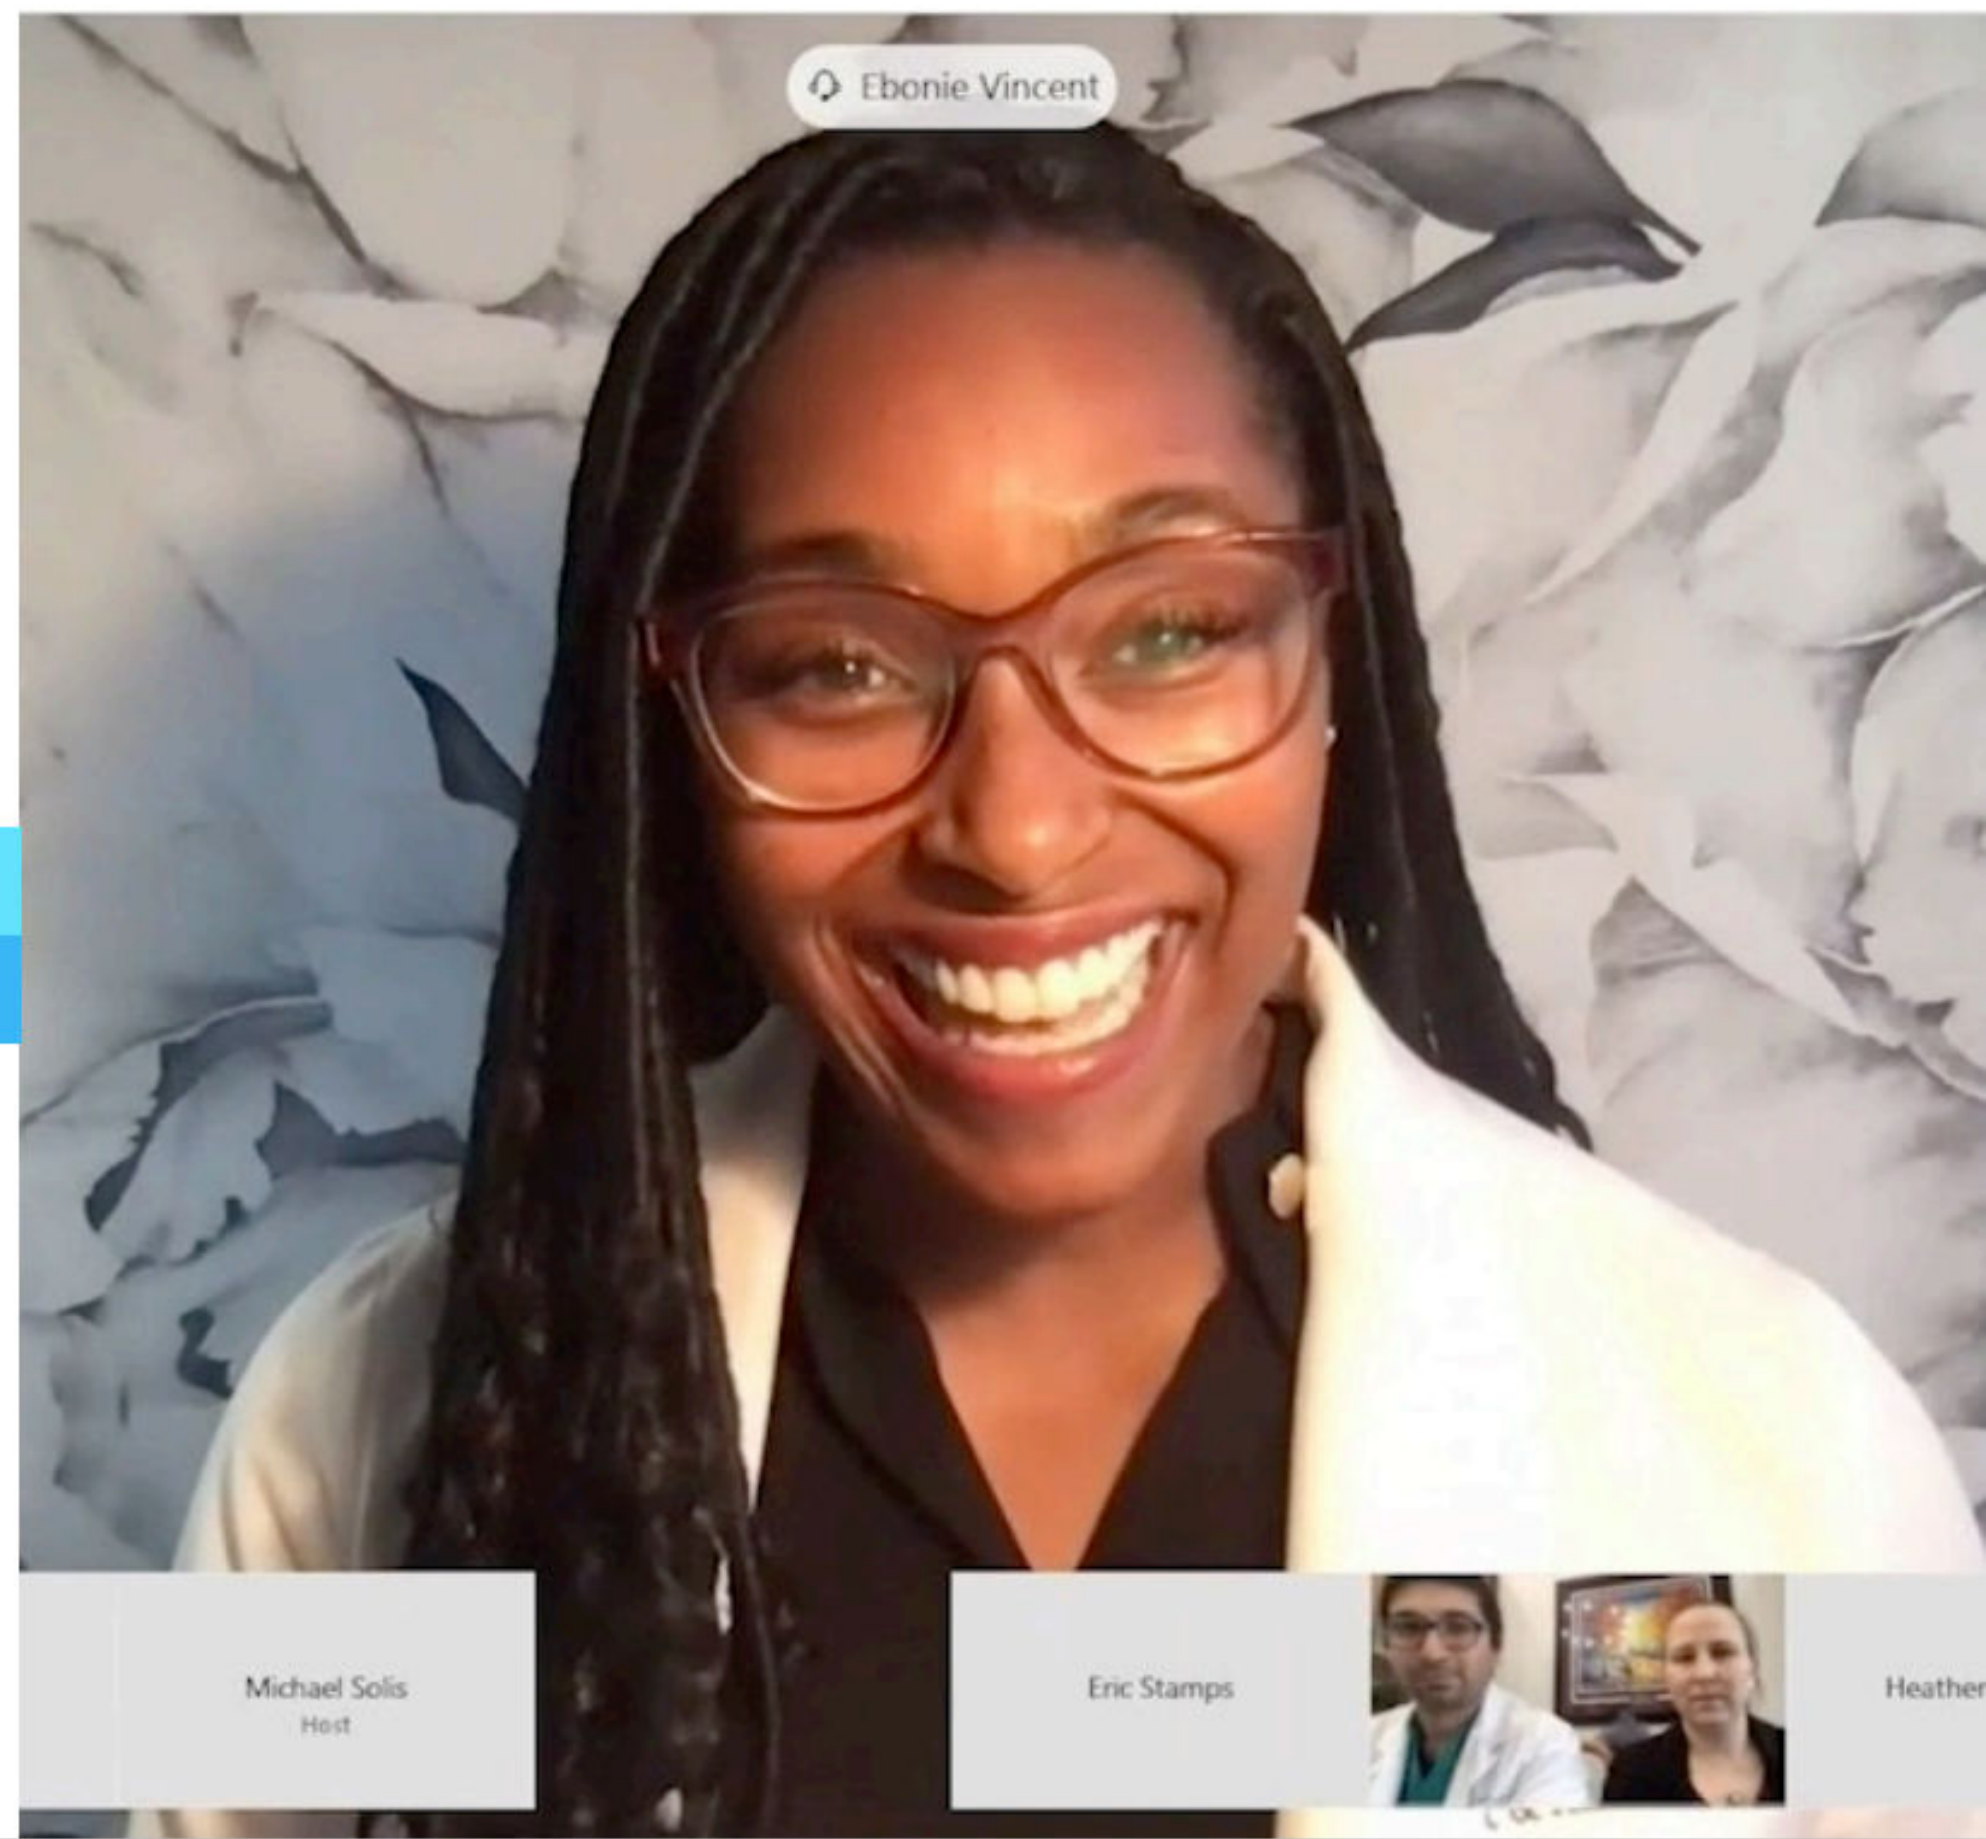

Dr. Ebonie Vincent has been the keynote speaker for several school graduations and ceremonies. She can speak in person or virtually.

Virtual Keynote / White Coat Ceremony 2021 for Samuel Merritt University

California School of Podiatric Medicine

Dr. Vincent, I was one of the students at the recent white coat ceremony you spoke at. Thank you from the bottom of my heart for the empowering amazing speech that you gave us. It touched my heart and my family's. I have been following your journey and I feel very inspired by our work ethic, your spirit and your love towards patients. Thank you for being such an amazing role model for all women. Seeing all that you've been through and succeed inspires me everyday

Long

Dr. Ebonie Vincent is a skilled foot and ankle surgeon with a distinguished background. She is trusted with peoples feet worldwide. Her surgical prowess has been recognized internationally by the media, patients and peers for her innovative surgical techniques and compassionate bedside manner. Known for her appearances on the hit TLC TV Series, "My Feet Are killing Me", she is sought after by patients from around the world for helping in correcting some of the most challenging and complicated foot and ankle conditions. Her work specializes in obtaining the most natural results through using innovative treatments and techniques at Orange County Podiatry in Orange, California.

Dr. Ebonie's passion is to promote a better understanding of the benefits of being under the care of a Surgical Podiatrist or Foot and Ankle Surgeon. As "America's Foot Doctor", she has been featured on E! Daily Pop, Dr. Oz, Daily Mail, NBC, ABC, Fox, and the Tamron Hall Show where she shares about the advancements in foot care and surgical technology for the treatment of foot and ankle conditions.

She is dedicated to helping her patients overcome not only the foot and ankle conditions they struggle with but the shame and embarrassment that can come with those conditions. Her personal goal is to help Americans to get back on their feet one step at a time.
