CEO, DR. DIANE'S ADVENTURES IN LEARNING

Speaking Topics

**WONDER, CURIOSITY, CONNECTION, PLAY --
WEAVING THE COLORS OF EMPATHY INTO A COAT
TO HELP YOU WEATHER LIFE'S STORMS**

Empathy is under attack at a time when we need it most. In this transformative keynote, Dr. Diane Jackson Schnoor shows us how to weave the golden thread of empathy through wonder, curiosity, connection, and play to live and lead in fearless joy.

**FROM PRESCHOOL TO THE BOARD ROOM--
PLAYFUL LEADERSHIP TRANSFORMS LIVES**

From preschool to the boardroom, play is a game changer for transforming how we learn and lead with integrity and joy. In this engaging and play-filled talk, Dr. Diane Jackson Schnoor reminds us that play is serious business and helps us unlock that superpower so we can receive the benefits of improved mental health, executive function, collaboration, and creative problem solving.

**IT STARTS WITH A SEED -
GROWING THE PROBLEM-SOLVERS OUR PLANET NEEDS**

In this impactful talk, Dr. Diane Jackson Schnoor explores ways nature can teach us to create learning ecosystems that grow the problem solvers our planet needs. If we know what flowers we want to grow (creative problem solvers), we need to adjust the learning ecosystem to support a culture of creativity, collaboration, critical thinking, and problem solving.
